Now playing: Empire by Dar Williams

Who's afraid of the sun?
 Who'd question the goodness of the mighty?
 We who banish the threat,
 When your little ones all go nighty-nighty.
 Well, there's no time for doubt right now
 and less time to explain.
 So get back on your horses,
 kiss my ring, join our next campaign.
 And the empire grows with the news that we're winning.
 With more fear to conquer
 and more gold thread for spinning.
 Bright as the sun, shining on everyone.
 Some would say that we forced our words
 and we find that ingenuously churlish.
 Words are just words.
 Don't be so pessimistic, weak and girlish.
 We like strong, happy people
 who don't think there's something wrong with pride,
 Work makes them free
 and we spread that freedom far and wide.
 And the empire grows,
 the seeds of its glory,

Am /G Little Bird by The Weepies

Sometimes it's hard to say even one t

When all eyes have turned aside
 /F#
 They used to talk to you
 F E7sus4 E7
 And people on the street seem to disapprove
 Am /G /F#
 So you keep moving away
 F E7sus4 E7
 And forget what you wanted to say

F E7sus4 E7
 Little bird, little bird
 Am /G /F#
 Brush your gray wings on my head
 F E7sus4 E7
 Say what you said, say it again
 Am /G
 They tell me I'm crazy
 /F# F E7sus4 E7
 But you told me I'm golden

Sometimes it's hard to tell the truth from a lie
 Nobody knows what's in the hold of your mind
 We are all buildings and people inside
 Never know who'll walk through the door
 Is it someone that you've met before?

Little bird, little bird
 Brush your gray wings on my head
 Say what you said, say it again
 They tell me I'm crazy
 But you told me I'm golden

I know what I know
 A wind in the trees
 And a road that goes winding under
 From here I see rain, I hear thunder
 Somewhere there's sun, and you don't need a reason

A screenshot of the Libre.fm website interface. The top navigation bar includes "Profile", "Listen", "Popular", and "Logout". A search bar is located on the right. The main content area features a "Welcome" message, a "Did you know..." section with text about scrobbling, and a "Libre.fm Merchandise" section showing a t-shirt. A large black question mark is overlaid on the central part of the page, obscuring the "Explore popular free artists" list. The list includes names like Chriss Onac, Daniel, Josh Woodward, and others. At the bottom, there is a link to sign up as an artist.
