Civic notices: a story of lamp posts & commons

Public Notice

Town & Country Planning Act 1990
Town & Country Planning (Development Management Procedure) (England) Order
2010

NOTICE UNDER ARTICLE 13(3) OF APPLICATION FOR PLANNING PERMISSION ACCOMPANIED BY AN ENVIRONMENTAL STATEMENT

Proposed development at land south of Wellow/east of Holmfield Avenue, west of Stoneovers and off, Broad Lane, Shalcombe, Yarmouth, Isle Of Wight, PO41

Infinergy is applying to the Isle of Wight Council for planning permission for Five wind turbines (100m to the tip of a rotar blade in a vertical position) provision of crane hardstandings, control buildings, substation, underground cabling, temporary construction compound, new access tracks off Broad Lane and Thorley Street (B3401) to accommodate construction traffic and a permanent 65m high anemometer mast which is accompanied by an environmental statement. Three construction traffic route proposals are: Yarmouth to Wellow, Cowes (Medina Wharf) to Wellow, Newport (St. Cross) to Wellow.

The proposal is a major development, may affect the setting of a Listed Building and may affect a public right of way.

Members of the Public can inspect all application documents environmental statement in two ways: on the Council's website (www.iwight.com/planningapps) available to view from 15/07/2011, or in person at Seaclose Offices Monday, Tuesday and Thursday 10.00am to 5.00 pm, Wednesday 10.00am to 5.00pm and on Friday 10.00am to 4.30 pm.

**Information about
our communities is
important to the
functioning of our
communities**

"Information and knowledge collectively created and owned or shared between or among a community and that tend to be available to third parties. Thus, they are oriented to favour use and reuse, rather than to exchange as a commodity. Additionally, the community of people building them can intervene in the governing of their interaction processes and of their shared resources." - Mayo Fuster Morell

**What is the
equivalent of the sign
on a lamppost for the
digital age?**

= a commons for agreed knowledge

= a commons of physical things in real-world

= a commons of photos and media

**Can we build a a
commons of civic
notices?**

**Can we make our
communities a bit
better through better
data?**
