Network

ULB has some traffic analysis on their new WiFi Controllers

Guess what site saw the most traffic, first time ever since that was installed?

Network

An illustration of two stylized figures, a man on the left and a woman on the right, pushing large puzzle pieces towards the center. The puzzle pieces are light blue and light purple. In the background, a large, faint number '2023' is visible. The word 'github.com' is written in bold black text across the center of the puzzle pieces.

Matrix & Element

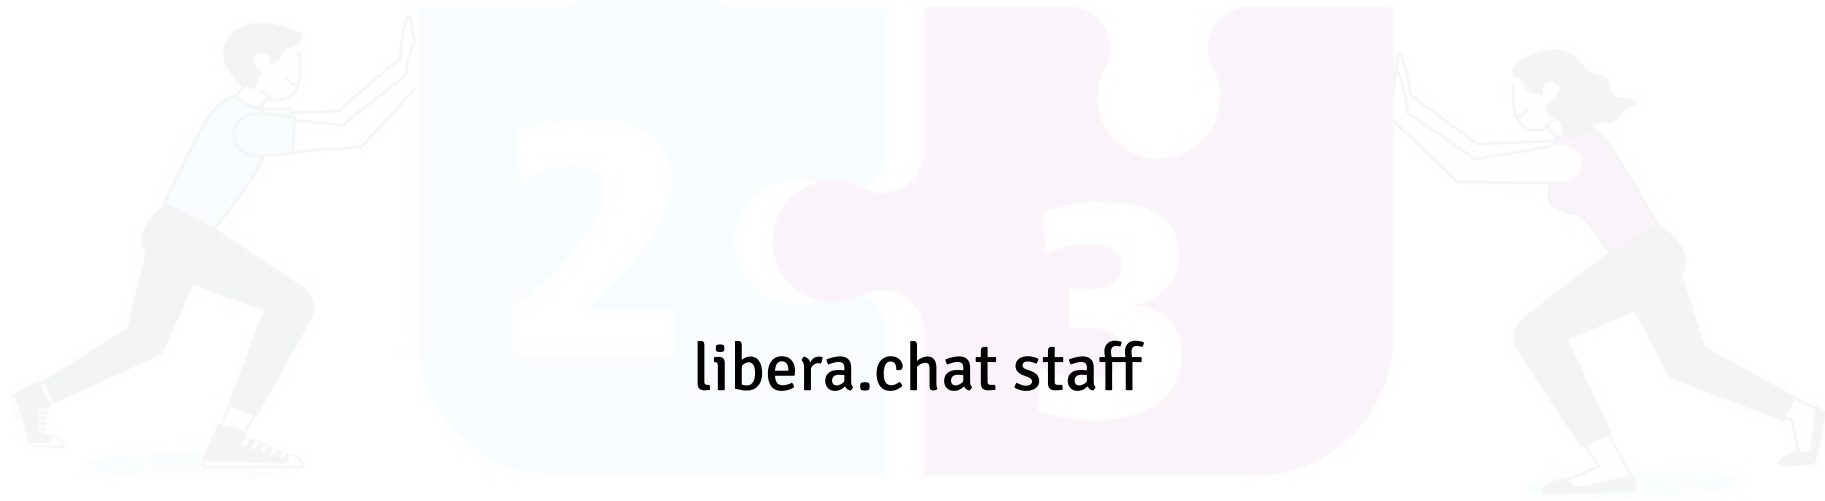

An illustration of two stylized figures, a man on the left and a woman on the right, pushing large puzzle pieces towards each other. The man is pushing a light blue piece with a large yellow number '2' on it. The woman is pushing a light purple piece with a large white number '3' on it. The pieces are part of a larger puzzle that includes a central piece with a white number '1' on a light blue background.

FOSDEM.org

back together again

Help us, please?

Take trash with you

If you have some time, please help clean up

You can keep the network cables you remove (under guidance!) and
get food once we're done

FOSDEM.org
back together again

See you next year!
