Where do we go from here?

Clayton Craft

FOSS on Mobile Dev Room

FOSDEM 2023

Who am I?

Full-time Linux user since ~2002

Linux phone fan since 2009

Contributor to pmOS since 2017

a.k.a. "craftyguy"

Today, the situation

Phones running Linux...   but very few overall

Lots of distros...   but limited coordination

Some mobile apps...   but lots of missing functionality

Today, the experience

"What is it like?"

What do we need?

- ☐ a place for internal feedback and priorities
- ☐ public representation
- ☐ build strong relationships 💪

Let's form a committee!

- ☑ a place for feedback and priorities
- ☑ public representation
- ☑ build strong relationships 💪

What‽

"Has Clayton lost his mind‽" /me looks around

"Who does this guy think he is‽" See slide 2

"... ‽" <3

What kind of committee?
